Uwe-Jens Gerth, consulting services for maintenance, material management, production planning and control

---

Assessment of project assignment :

To ensure I always meet the clients requirements and to keep up a high standard I would like to ask you for feedback on my performance during the project described below. Thank you for your constructive remarks.

Company name: Robert Bosch GmbH   Industry: automotive parts
Country: Germany

ROBERT BOSCH GMBH.
NÜW . / TEF
Zweibrückener Straße 13
90441 Nürnberg
02.03
2000

Project description:
Based on the former R/2 system the business processes of three plants had to be adapted for the migration to R/3. Mr. Gerth has assisted to implement the maintenance processes as well as for the product test department.

Period of assignment: since 19.03.1999

Task:
Mr. Gerth is assigned as PM consultant for supporting the team on the processes mentioned above. He coached the team in the concept phase and the building of the prototype.

Evaluation:

Please state your opinion by marking on a scale from 1 (very good) to 5 (deficient performance).
